PRESS RELEASE

LAUNCH SALES CENTRE OPENS AT UPTON SQUARE

A Sales Centre has opened to mark the launch of an exciting phase of one, two, three and four-bedroomed homes at Upton Square by Metropolitan Home Ownership, who help someone move into a new home every 15 minutes.

With over 100 homes being built, from designer pads for single buyers to flexible three-storey homes for growing families, there are homes to suit all kinds of buyers at Upton Square.

Potential home buyers are invited to come along to the sales centre to take their pick of the plots and learn about the wide choice of purchase options being offered by MHO, designed to make home buying easier for those who have a house to sell as well as first time buyers and others who do not currently own a home of their own.

The buying options include part-exchange, help with selling your existing house and a government-backed equity loan scheme called FirstBuy for new purchasers who need a little extra help to be able to buy a home of their own.

"We go further than most to help people put a foot on the property ladder," says Bilquees Akbar, Regional Sales Manager with Metropolitan Home Ownership.

"Come along to the sales centre which is open daily from Friday to Wednesday between 10am and 5pm and on Thursday from 10am to 7pm."
