PRESS RELEASE

LAUNCH OF EXCITING NEW PHASE AT UPTON SQUARE

Metropolitan Home Ownership has launched an exciting second phase of brand new homes at Upton Square in Northampton.

Following the success of the first phase, which was completed in 2009, MHO have commissioned a fabulous range of brand new house types for families, first time buyers and other single purchasers.

With a choice of one, two, three and four-bedroomed homes, Upton Square offers an exciting lifestyle for many types of purchasers who can benefit from a range of buying options designed to help make home buying easier for those who have a house to sell as well as first time buyers and others who do not currently own a home of their own.

The buying options include part-exchange, help with selling your existing house and a government-backed equity loan scheme called FirstBuy for new purchasers who need a little extra help to be able to buy a home of their own.

MHO have appointed Jackson Grundy as their local agents, and purchasers who want to get their pick of the plots before a Sales Centre opens at the development early in October, are invited to view details about these exciting new homes at www.uptonsquare.co.uk or speak to Russell Bradley at Jackson Grundy on **01604 249 710**.
